ABOUT US

FOUNDED IN ENGLAND. ROOTED IN PORTUGAL.

With Portuguese roots and a deep understanding of Portugal's natural stone, we bring together international business standards, strong connections with Portuguese quarries, and a commitment to supplying quality limestone worldwide.

DIRECT FROM QUARRY. ROOTED IN PORTUGAL.

Our Portuguese roots give us strong connections with local quarries, allowing us to source Portuguese limestone directly from the quarry and offer a wide variety of products. Combined with our deep understanding of Portuguese limestone and close ties to Portugal, this enables us to offer highly competitive pricing.

A STONE WITH A STORY

Formed over millions of years, our rustic limestone tells the story of nature, time and authenticity. Every piece is unique, with natural tones and textures that bring warmth, depth and character to architectural spaces.

TIMELESS SPACES. NATURALLY YOURS.
